The Callers

The caller teaches and calls each dance throughout. The caller selects a program of dances to keep

Dear Chris,

Dance Tonight!

Welcome to the Fun Family Dance ezine, published once a month. Of course we hope to have a newsletter to you a week before the dance so you can plan, but here we are the day of the dance, and we still want you to come! Join us at 8:30PM, after trick-or-treat and Nevada Day activities. With our shorter dance format, you'll want to be on time, and stay until the end. There will be a special event at 10:00.
