The Callers

The caller teaches and calls each dance throughout. The caller selects a program of dances to keep you moving and learning and

Dear Chris,

Dance Sunday!

We've changed our dance date for this month to Sunday, November 23, instead of Saturday. We'll dance from 5:30 to 7:30PM, at the Children's Museum at 813 North Carson St. We changed due to some unavoidable conflicts for the band and callers, but it will be interesting to get feedback from the community on Sunday dances. Harry Potter and friends will be dancing, though as always you can come with or without costumes. As you may have heard, the release of the movie has been delayed into next year, but the theme is still appropriate. Darla will be offering a new Harry Potter dance written just for this occasion!

We will be developing our dance schedule for 2009 in the near future. If we have the energy, we'll have an open meeting after the last waltz to plan 2009, or if we are too worn out from dancing, within the following two weeks. If you have ideas for the next year, date, times, or other details, come to this meeting and let us know, or email Dan at allisondan52@gmail.com.

The Fun Family Dance Team

Dance Schedule

Saturday, November 22
